

REMARKS

By this Amendment, claim 6 has been amended to remove the multiple dependency. This amendment to claim 6 was intended to be made in the Preliminary Amendment filed on May 3, 2006, but was inadvertently omitted. This amendment to claim 6 is required so as to not make claim 23 redundant.

It is respectfully submitted that this amendment does not raise any issues that require a further search. Entry of this Amendment is therefore respectfully requested.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.
